Sir:

In preparing the Response to the Office Action that was filed November 27, 2006, Applicants recognized that the Sequence Listing filed with the application appeared to be incomplete in omitting some sequences that were disclosed in the application. This Amendment submits a more complete Sequence Listing.

As this paper is not filed in response to any outstanding Office Action, there is no due date and no fee should be due for its consideration. However, if the Patent and Trademark Office should deem any fee necessary for its consideration, the undersigned authorizes the charge of any necessary fee to maintain the pendency of this application, including any extension and/or claim fee, to Deposit Account No. 19-0089.

Amendments to the Specification begin on page 3 of this paper.

Remarks begin on page 5 of this paper.
